

Greetings Blue Hens,

There is no more important function for the BHTC than the Senior Banquet we hold each year to honor the commitment to Delaware football that our seniors have made during their time at the University of Delaware.

Sadly, changes to COVID protocols made this week at the university would have required the club to drastically change the way we conduct the banquet and we have made the decision that our seniors and their families deserve the same experience as prior seniors have had. This event is too important to do it halfway.

Hence, we are rescheduling this years BHTC Senior Banquet to:

Date:	Saturday, March 19, 2022
Place:	Clayton Hall, University of Delaware
Social Hour:	4:00 pm
Dinner & Program:	5:00 pm

We apologize for having to make this difficult decision and we also felt we have the responsibility to put forward the best evening we can for our honorees. We look forward to seeing everyone on our rescheduled date.

Thank you for your understanding and Go Hens.

The Blue Hen Touchdown Club
